

RECORD ATTENDANCE

Our Saturday revision sessions for our Year 11 students have reached record attendance! It is fantastic to see our students using these sessions and putting in the effort to get the grades they deserve in the summer exams.

ATTENDANCE REWARDS

All students in 100% this week (strike days taken into account) who have not been to the SRR or received a suspension this half term were invited into the Sports Hall for a session on the inflatables. Students had a fantastic time!

Attendance/Rewards Trip

Monday 23rd January - 31st March

All students with 95% attendance and above
Plus less than 10 negatives will be invited to a
bowling trip at the end of term!

BIG IDEAS

On Friday, a class of Year 8 students continued working on their 'Big Idea' as part of Solutions for the Planet's Big Idea's national competition. Students were joined by the external mentors from Tarmac and Northern Gas Networks and spent the afternoon writing their business plans and fine tuning their presentations. Students will have one final development session on Friday 24th March before submitting their work and hopefully being shortlisted for the regional finals. All shortlisted teams will be announced after the Easter holidays.

BRILLIANT CLUB

Our second cohort of students are heading to Oxford University on 20th-23rd March as part of the launch of the next wave of the Brilliant Club.

Students will be working with PhD students in seminar sessions on their final project and are looking forward to visiting one of Britain's top University providers.

NEWCASTLE COLLEGE

Newcastle college visited Years 10 and 11 today to give out prospectus' and information about courses on offer – Tom even brought along some freebies for students who made enquiries!
