

BUILDING SELF BELIEF

This week we were joined by Building Self-Belief CIO who had their final session of their programme with some of our Year 9 students. The boys have been amazing, and it was great to hear how much they have enjoyed the sessions and how much their confidence has improved over the time they have worked with Building Self-Belief CIO.

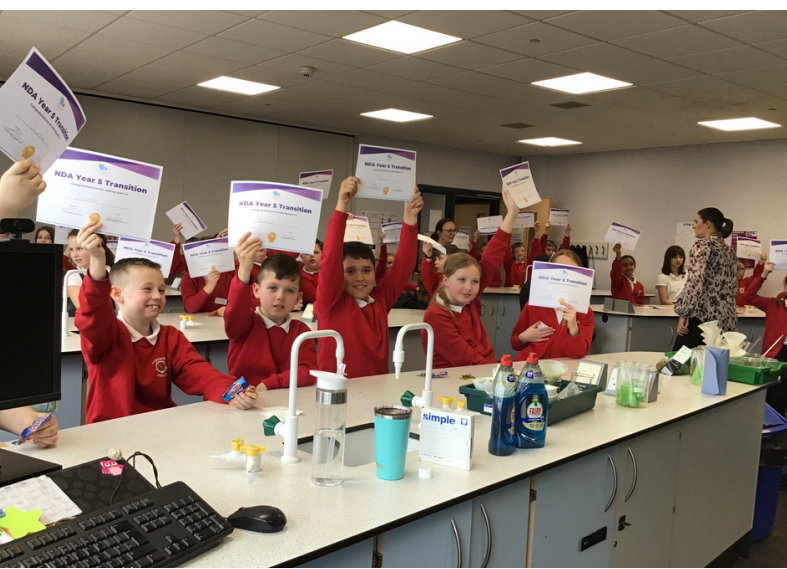

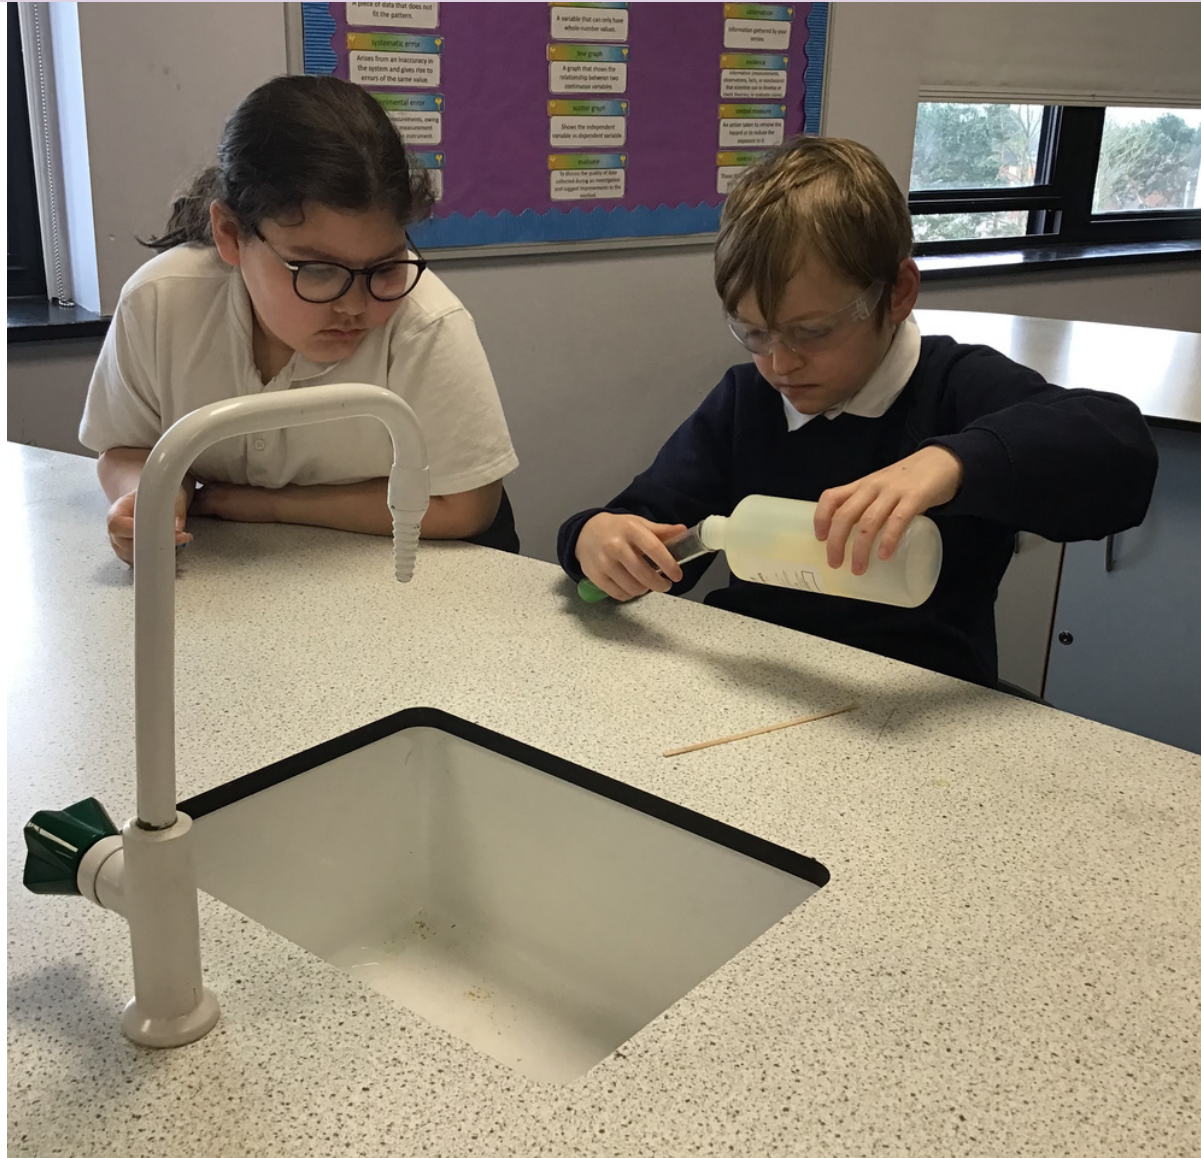

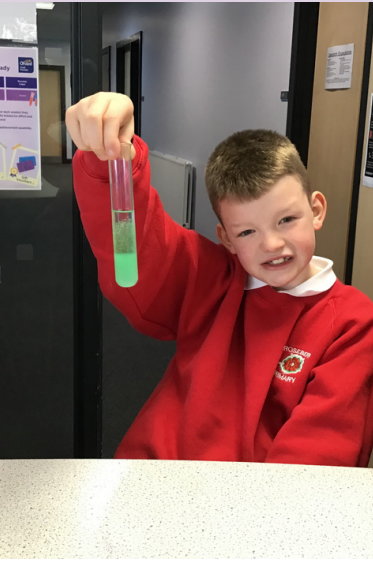

ARTIST VISITS

This week some of our students took part in an illustration workshop with autistic artist and illustrator Lauren Osborne. They were all gifted a copy of her fantastic book 'It's okay to be me'.

YEAR 5 VISITS

On Tuesday 28th and Wednesday 29th March, we welcomed Year 5 from Roseberry Primary and Burnside Primary into the academy to take part in a STEM event. Students were given a chance to extract DNA from a kiwi fruit! It was a fantastic event and everyone had lots of fun. We look forward to welcoming these students and other year 5 students into the academy this term.
