

SPAIN TOUR

36 students and 4 staff attended Salou, Spain from 29th April-5th May. The primary objective of the trip was compete against two Spanish football clubs at various locations around Salou and Barcelona. Unfortunately our teams lost both games but played against two teams of incredible talent. The students also enjoyed trips to Barcelona Zoo, the Camp Nou and Port Aventura as well as spending some down time at the pool and paddle boarding at the beach. The students represented the Academy in an impeccable manner and fun was had by all students and staff.

ATTENDANCE

Top attending year group this week has been Y9. Great work – keep it up.

A reminder our joint prize draw with the praise team will be happening soon for a chance to win Newcastle tickets. 95% attendance or above is the target. Fear not Sunderland fans, we are looking at sourcing some Wearside prizes as well.

Please take the time to review our attendance diagram which explains how many days absence your child current attendance equates to. As a reminder 90% equates to a whole month a year off and can significantly impact your child's chance of achieving.
