

NEWCASTLE UNIVERSITY FUTUREME TRIP

Selected Year 10 students took part in a visit to Newcastle University in association with FutureMe.

Students completed a 'Rapid Revision' workshop, as well as an 'Independent Study' workshop, and completed a campus tour.

Students were fantastic and represented the Academy very well, contributing maturely and professionally to all of the sessions which they were a part of.

They were a credit to the Academy and even got to visit the University's Starbucks in the student union!

YEAR 10 PHOTOGRAPHY TRIP

Our Year 10 photography students went on a trip to Tynemouth Blue Reef Aquarium yesterday. They used DSLR cameras to take photos of Macro photography. Students experimented with different settings and took some great photographs!

LIBRARY NEWS

Spotlight on Carnegie

With winners due to be announced on 21st June, we will shine a light on two of the shortlisted titles a week before revealing the winner!

Kai, Orla and Zak grew up together, their days spent on the patch of wilderness in between their homes, a small green space in a sprawling grey city.

Music, laughter and friendship bind them together and they have big plans for their future - until Kai's family suffers a huge loss. Trying to cope with his own grief, as well as watching it tear his family apart, Kai is drawn into a new and more dangerous crowd, until his dreams for the future are a distant memory.

Excluded from school and retreating from his loved ones, it seems as though his path is set, his story foretold. Orla, Zak and new classmate Om are determined to help him find his way back. But are they too late?
