

YEAR 8 GIRLS GET SET

11 Year 8 students have been working on a STEM project in association with Baker Hughes.

We are extremely pleased to let you know that NDA was successful and 'The Energy and Litter team from NDA have won the UK-wide Innovation prize for the best solution.' Students were awarded their trophy at Baker Hughes on Thursday and have been a credit to NDA! Thanks to Dr Varanasi for all of his hard work and effort in supporting these young people with their projects.
Well done ladies!

Upcoming Events

Day	Year 7	Year 8	Year 9	Year 10
Monday	Beacon of Light	Beacon of Light	Beacon of Light	Beacon of Light
Tuesday				
Wednesday				
Thursday	Beacon of Light	Beacon of Light	Beacon of Light	Beacon of Light
Friday			Careers Interviews	Spoken Language presentations start in English next Monday (10th July). Check with your English teachers for your date and time!

PROM 2023

NCDAT CONFERENCE

Well done to all the leaders who attended the first NCDAT conference on Saturday 24th June.

Staff from all three academies came together to work collaboratively, using evidence-based research, to ensure the quality of education is the best for the students we teach.

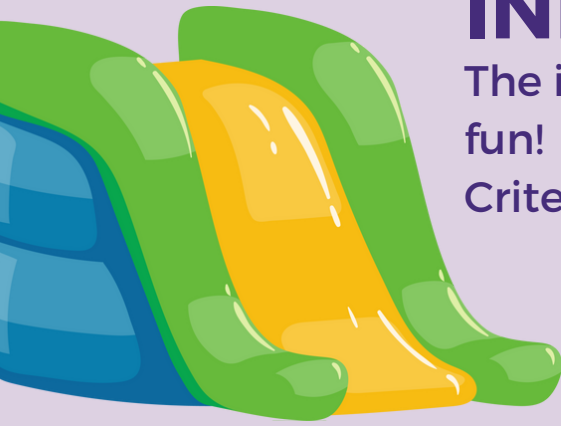

NEW COLLEGE DURHAM YEAR 10 DISCOVER EVENT

Some of our Year 10 students opted for a day at New College Durham, attending their 'Discover NCD' event. Students had a curriculum area tour, careers fair and wellbeing session

The students represented the Academy fantastically and were a credit to all involved

INFLATABLES ARE BACK!

The inflatables are back for some last day of term fun!

Criteria that must be met to take part:

100% attendance from 19/06/2023 - 14/07/2023

Fewer than 20 negative points between 19/06/2023 - 14/07/2023

YEAR 8 NEW COLLEGE DURHAM EVENT

Some of our Year 8 students visited New College Durham for a Discovering Engineering event. The students took part in a tour where they got to try out the VR headsets, a paper chain making challenge against 3 other schools, an engineering pneumatics challenge and spoke to 3 local engineering companies. The students represented the Academy amazingly well!
